What equipment do you need?

- Please ensure you have clean, soft-soled shoes to wear on the ice.
If the shoes are dirty, we may ask you to change your shoes, or leave the ice surface.
- We'd recommend warm clothing! It is a curling rink with ice, after all!
- Sliders and brooms are provided by the rink.
 - Helmets are suggested but not required. For more information on Curling Canada's helmet recommendation please go to:
<http://www.curling.ca/about-the-sport-of-curling/helmet-use-recommendations/>

Who are the Instructors?

- We have some great junior curling volunteers that help us out with the on-ice instruction
